

Adopt an Angel

Each year Legacy Real Estate & Associates supports the Adopt an Angel program to provide Christmas gifts for children in Alameda County living in shelters, group homes, foster care or living in a low income situation. The gifts received through Adopt an Angel are often the only gifts these children receive.

The children range in age from newborn to age 18. Each child's name is placed on a slip along with three gifts they would like to receive. If you would be interested in participating, stop by the Legacy office at 4111 Mission Blvd, (corner of Driscoll) Fremont where you can select a tag from the front window describing the child – age, sex and gift wishes. You then purchase the gifts and return them unwrapped to the Legacy office along with the tag. Gifts must be received at Legacy by December 6th.

The goal this year is to provide gifts for approximately 900 children. Gifts requested range from necessities like clothing, shoes and school supplies to toys, bicycles and diapers.
