

Frances Navarro A Friendly Visit Can Mean So Much

Oftentimes the elderly get few if any visitors but Frances Navarro and her family has been visiting the Dominican Sisters at the Convent next to Mission San Jose in Fremont for many years now. One sister in particular won her heart – Sister Hosanna.

She started visiting Sister Hosanna when she was 101 years old – a vibrant and healthy nun with an incredible memory. Sister Hosanna would tell stories of her childhood and the Mexican Revolution and she would share her personal experiences that can only be learned from someone who has lived through the event. Sister Hosanna passed away earlier this year at the age of 106.

Frances remarks “We never expected something that started as volunteer work to evolve into such a wonderful friendship and to fill our hearts with great joy and such inner peace.” She further states “Volunteering your time is so much more than investing a few hours here and there, it’s about making a difference in people’s lives and the rewards are far superior.”

If you are thinking of buying or selling your home, consider Frances Navarro. She can be reached at 510-580-6997 or fnavarro4homes@yahoo.com.
